THE EXPLORER:
Nature-Based Discovery (Ages 3-12).

1. STEM INQUIRY & DISCOVERY
Led by Qualified Teachers. Developing critical thinking through hands-on ecology and biology lessons in local parks.

2. NATIVE WILDLIFE IDENTIFICATION
Learning about local flora and fauna. Bird watching, tracking, and understanding ecosystems.

3. PHYSICAL RISK COMPETENCE
Building confidence and coordination through supervised natural play, climbing, and balance challenges.

4. ALL-WEATHER DISCOVERY
Embracing the seasons. Rain, shine, or snow, we provide guided outdoor exploration, fostering resilience.
